MESSAGE

I'm delighted to hear that the Central Vigilance Commission, New Delhi, is observing Vigilance Awareness Week from October 30 to November 5, 2023, with the theme "Say no to corruption; commit to the nation."

Corruption has long been a persistent challenge for India, holding back the nation's true potential. However, as the nation marches forward into a new era of development and global prominence under the leadership of Hon'ble Prime Minister, it is more crucial than ever to say no to corruption and commit wholeheartedly to the nation's progress.

India's path to prosperity and progress hinges on citizens rejecting corruption and embracing ethics, which, when united against this issue, will lead to a brighter, fairer, and more prosperous future for our beloved nation.

I wish the Vigilance Awareness Week 2023, all the success and extend my greetings to the vigilance fraternity.

Best wishes,

(Jyotiraditya M. Scindia)
