## **Detailed Monthly information for the month of May, 2020**

Important Policy decisions taken and major achievements during the month:

### **1. MINISTRY OF CIVIL AVIATION**

- A.** To support India's fight against COVID-19 pandemic, MoCA has started 'Lifeline Udan' flights to transport essential medical supplies to various parts of the country with a special focus on North East and hill states and islands.
- (i) Majority of medical cargo was carried by Air India, Alliance Air and IAF. Private carriers also pitched in whenever required. Pawan Hans Ltd also carried essential medical supplies to the remote areas of J&K and Ladakh.
  - (ii) Till 31<sup>st</sup> May 2020, a total of 940 tonnes of medical & essential cargo was airlifted covering an aerial distance of 5,45,850 kilometers with 588 flights.
  - (iii) The status of 'Lifeline Udan' initiative as on 31<sup>st</sup> May 2020 is attached as **Annexure-I**.
- B.** Governmental procurements of essential medical supplies were airlifted from overseas using Air India (23 charters), Blue Dart Aviation (07 charters), and Spice Express (03 charters).
- C.** Airlifting agri-produce for better value realization for farmers:
- (i) In May 2020, approx. 284 domestic flights moved 1,400 MT of agri-produce, while another 613 flights were used to export at least 7,000 MT of agri-produce. This was achieved through a facilitative mechanism set up involving stakeholders from the end-to-end domestic as well as international supply chains. Farmers/farmer producer organizations and exporters from India were approached directly, and linked up with freight forwarders/ customs brokers, truckers, cargo terminal operators, and airlines, besides governmental bodies like APEDA and MPEDA.
  - (ii) For the development of new markets for new Indian agri-produce in the East and Far-East as well as Middle-East and Central Europe, besides in the usual markets in Western Europe and the US, surplus producer States and demand clusters were roped in to indicate their daily supply and demand position. These origin-destination pairs were matched, and the needs of the value chain in terms of grading, sorting, packaging requirements as per rules and plant and animal quarantine certifications required by the export destination were tied up through hands-on facilitation.
  - (iii) Surplus producer States and demand clusters were roped in to indicate their daily supply and demand position. These origin-destination pairs were matched, and the needs of the value chain in terms of grading, sorting, packaging requirements as per rules and plant and animal quarantine certifications required by the export destination were tied up through hands-on facilitation irrespective of mode of transport.

- D.** In view of the decision to further continue the lockdown up to 31.05.2020, as contained in MHA's order No.40-3/2020-DM-I(A) dated 17.05.2020, vide letter No.AV-11011/1/2020-US(AG)Office-MoCA dated 17.05.2020, MoCA extended the validity of the Ministry's order of even number dated 23.03.2020, prohibiting domestic passenger flight operations, up to 2359 IST on 31.05.2020.
- E.** MoCAvide letter No.13029/1/2020-A-MOCA dated 26.05.2020 issued Standard Operating Protocol (SOP) for private aircraft and charter operations on international sectors in order to facilitate the movement of stranded Indian nationals and certain OCI card holders to bring back to India.
- F.** Government of India, in exercise of the powers conferred under Rule 160 of the Aircraft Rules, 1937, has laid down a simplified procedure, vide Public Notice dated 02.05.2020, for grant of exemption ("Conditional Exemption") from the provisions of the above mentioned Rule and CAR to Government entities for Covid-19 related Remotely Piloted Aircraft System ("RPAS") (commonly known as drone) operations.
- G.** A portal called Government Authorization for Relief Using Drones (GARUD) was launched on 2 May 2020 to provide fast track exemptions to government agencies for COVID-19 related drone operations. The portal was designed, developed, beta-tested and launched by MoCA, DGCA and NIC in a record period of eight days.
